

September

Welcome to the Pre-K classroom!

My name is Mrs. DW I will be your child's lead teacher this year. I am excited and look forward to teaching, exploring, and having lots of fun with all my students this year. Also in the classroom this year will be Mrs. Holmes and Mrs. Davis .

As we begin our school year, we will be introducing the children to our school routines, classroom expectations, along with talking about "All about me ". We will work on this theme for the entire month, allowing us to get to know each other. We will be creating a classroom book that will hang in our classroom throughout the school year. You will get the info page in your child's box the first week of school. You will also be getting the paper on Super Duck. He will be in our classroom to help solve problems and have adventures with us.

Each month, you will be getting a newsletter and a calendar informing you of what we will be focusing on and doing throughout the month. The calendar will also have important dates of events that will be going on, like field trips, open houses, and school pictures.

Just a few important things for you to know. We are a peanut-free school. Please label all your child's backpacks, lunch boxes, and coats. Many children have the same items, and they may get mixed up. Also, if you could put a spare outfit in their backpacks, that would

be appreciated, just in case of getting wet or spills. We go outside as much as we can, so please send in appropriate outerwear for the playground.

Lastly, please feel free to ask questions or share any concerns you may have. Thank you, and I am so excited to have your children in my class this year.

Mrs. Dow-Walsh (Mrs. DW)

Mrs. Holmes And Mrs. Davis
