

What a fun month we had; we did and explored so many fun things. I still can't believe we are going into November. October flew by. We are approaching another busy but fun month. We have so much to learn and explore. We will be learning about pilgrims, Native Americans, the Mayflower, and talking about Thanksgiving, along with exploring new things.

We will be discussing our kindness board that will start this month. The board is located right by the children's coat hooks. Be on the lookout for it. The children will get a kindness bubble every time they do a kind act. They are excited for this board.

The children seem to be enjoying Super Duck, going home with them to help them solve problems. Super Duck has been helping all of us in classrooms, and the children are now starting to solve their own problems with each other. Which makes me so happy. They have all been working hard these past couple of months.

A few things that will be going on this month: we will start collecting canned goods, baking goods, and other dry foods for the Pembroke firehouse pantry. Be on the lookout for a letter. We will be having our class turkey feast right before Thanksgiving break. The sign-up sheet will be out next week.

A few reminders: please remember to send in appropriate outerwear. With the weather getting colder, we will go outside as much as we can.

Important things for the month

No school November 11: Veterans Day

School Pictures: November 19 and 20

Thanksgiving Feast: November 23 and 24

Thanksgiving Break: No school November 25-27

Feel free to ask any questions or express any concerns you may have to me; I am always available.

Mrs...DW, Mrs. Holmes, and Mrs. Davis
